

# EVERYDAY EXCELLENCE LEADERSHIP

ENVISION. EMPOWER. ENGAGE.

## Empowering Leaders with Skills and Tools to Engage Employees and Deliver Results

Being a successful leader in today's dynamic workplace takes more than technical knowledge, business savvy and emotional intelligence. Leaders must be able to craft a compelling vision, translate that vision into actionable goals, empower their organization to make change, and harness the energy of an engaged workforce to deliver sustainable results.

### Everyday Excellence Leadership® Workshop

The 2-day Everyday Excellence Leadership® Workshop arms leaders with tools and proven methods that can be immediately implemented to align employees around goals, foster an engaging and inclusive work environment and facilitate employee empowerment and ownership. Workshop participants will learn how to:

#### ENVISION THE FUTURE

- Align employees around a common goal
- Facilitate employee connection and ownership
- Leverage change management techniques to garner support

#### EMPOWER THEIR WORKFORCE

- Enable employee decision-making within a framework
- Embrace tools to solicit input and make better decisions
- Empower employees with skills and tools to identify and implement change

#### ENGAGE EMPLOYEES

- Build Trust
- Foster an inclusive work environment
- Create meaningful employee development plans
- Recognize and reward achievements
